

## EXIT PLANNING REVIEW

You've built your business but one day you'll want to realise your value. How you go about that will make a big difference to how much you receive and how content you feel going into your new future.

Will it be a trade sale to a third party, possibly an IPO, a management team buy out or, perhaps, a management buy in? What's the value now? How might you improve on that? What arrangements will leave your business and your people in good hands?

### Our experts will understand:

- The strengths and weaknesses of your business;
- Its market positioning and customer relationships;
- The strengths and weaknesses of your management team;
- Your business culture;
- Your financial results;
- Your products and/or services;
- What you need to achieve a successful exit.

### As a result you will know:

- The approximate worth of your business now;
- How much it might be worth;
- What exit option is likely be best for you;
- How to plan for that exit and timescale;
- Who your potential buyers might be;
- How to present the best perception of your business to leverage value.

You'll receive a written report plus a feedback and question and answer session.

Time commitment: One day or equivalent, plus feedback session on our written report.

Investment: £3,000 plus VAT
